

# Film music by John Williams

The American composer John Williams has written music for many of the most well-known films over the last 40 years or so.

Listed below are a number of well-known films. Research in the school library, on the Internet, in books and magazines or ask your parents or grandparents, etc to complete these tasks:

- 1 Tick the boxes next to those films that John Williams composed.
- 2 Find out the composer of the films that you have not ticked, and write the name in the 'Composer' column.

The following Web sites may help:
